9 MAY 1974

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : EEO Program - Ms. [REDACTED]

STAT

Bill:

You have made a number of significant observations and comments concerning Fred Janney's memorandum of 9 May 1974, which covers a wide range of activities in the EEO area. This will be reviewed in further detail, and appropriate action will be taken in accordance with your expressed wishes.

STAT With respect to the specific case of [REDACTED], I will maintain the applicant file in an active status through 30 June 1974 in the hope that retirements may open up a suitable position for her at the GS-15 level in the Management and Services Directorate. If an opening does not develop by then, I would have little recourse but to reject on the basis that a position is not available--in spite of the fact that she obviously has excellent credentials.
